Capo I

G Em 2x

Slip sliding away, slip sliding away  
You know the nearer your destination, the more you're slip sliding away

I know a man, he came from my hometown  
He wore his passion for his woman like a thorny crown  
He said Dolores, I live in fear  
My love for you's so overpowering, I'm afraid that I will disappear

Slip sliding away, slip sliding away  
You know the nearer your destination, the more you're slip sliding away

And I know a woman, became a wife  
These are the very words she uses to describe her life  
She said a good day ain't got no rain  
She said a bad day is when I lie in bed  
And think of things that might have been

Slip sliding away, slip sliding away  
You know the nearer your destination, the more you're slip sliding away

And I know a father who had a son  
He longed to tell him all the reasons for the things he'd done  
He came a long way just to explain  
He kissed his boy as he lay sleeping  
Then he turned around and headed home again

He's slip sliding, slip sliding away  
You know the nearer your destination, the more you're slip sliding away

And God only knows, God makes his plan  
The information's unavailable to the mortal man  
We're workin our jobs, collect our pay

Believe we're gliding down the highway, when in fact we're slip sliding away

Slip sliding away, slip sliding away

You know the nearer your destination, the more you're slip sliding away

Slip sliding away, slip sliding away

You know the nearer your destination, the more you're slip sliding away
