Dont Let The Sun Go Down On Me Chords by
# Elton John

Difficulty: advanced
Tuning: E A D G B E
Key: C

CHORDS

I play this song on piano!!! So unfortunately I can't help you guys voice it on the guitar, but these are the right chords.
This sounds best played on piano because the way I wrote the chords it gets the moving bass line involved.

[Verse 1]
```
G              C   G                      F   C  F    C

F                 A#   F                C                G      F

F                 A#   F                    G    C    G
  But see me once        and see the way I feel
G              C   G                    F                 C  F    C
