

# Kodachrome Chords by Paul Simon

Difficulty: intermediate

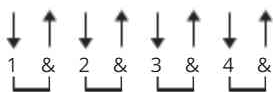

Tuning: E A D G B E

## CHORDS

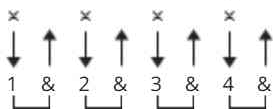

## STRUMMING

BASIC PATTERN 136 bpm

ALTERNATIVE 136 bpm

[Verse 1]

**E** **A**  
When I think back on all the crap I learned in high school.  
**F#m** **B** **E** **F#m** **B** **E**  
Its a wonder I can think at all.  
**E** **A**  
and though my lack of education hasn't hurt me none.  
**F#m** **B** **E**  
I can read the writing on the wall

[Chorus]

**A** **C#** **F#** **Bm** **E**  
Kodachro oh ohm give us those nice bright colors  
**A** **D**

give us the greens of summers

                  B          E                  A  C#  F#  
makes you think all the worlds a sunny day oh ya

          Bm          E  
I got a Nikon camera

                  A          D  
I love to take the photographs

                  B          E                  A  C#  F#  B  
so momma don't take my kodachrome away

[Verse 2]

                  E                                  A  
If you took all the girls I new when I was single  
F#m                  B                  E  F#m  B  
and brought em all together for one night

                  E                                  A  
I know they never match my sweet imagination  
F#m                  B                  E  
and everything looks worse in black and white

[Chorus]

          A  C#  F#                  Bm                  E  
Kodachro oh ohm give us those nice bright colors  
                  A          D  
give us the greens of summers

                  B          E                  A  C#  F#  
makes you think all the worlds a sunny day oh ya

          Bm          E  
I got a Nikon camera

                  A          D  
I love to take the photographs

                  B          E                  A  C#m  F#m  
so momma don't take my kodachrome away

[Outro]

          A          C#m          F#m  
momma don't take my kodachrome away

play this the rest of the song

A  C#m  F#m

(and after 4 measures make it faster)
