E7
Well, she was

[Verse 1]
    E7
Just seventeen
    A7   **E7**
You know what I mean
And the way she looked
                    B7
Was way beyond compare

[Chorus]
   E7
So how could I dance
        A7   **C**
With another, ooh
       E7
When I saw
    B7   **E7**
Her standing there
        E7
Well she looked

[Verse 2]
           A7
At me, and I,
           E7
I could see that
Before too long

```
                          B7
I'd fall in love with her

[Chorus]
E7
She wouldn't dance
        A7         C
With another, whooh
       E7
When I saw her
B7            E7
Standing there

[Bridge]
         A7
Well, my heart went boom
When I crossed that room
And I held her
        B7  A7
Hand in mine
             E7
Whoah, we danced

[Verse 3]
Through the night
       A7
And we held each
        E7
Other tight
And before too long
                        B7
I fell in love with her

[Chorus]
    E7
Now I'll never dance
        A7         C
With another, whooh
        E7
Since I saw
    B7       E7       B7
Her standing there, ah

[Solo]
E7 B7 E7 A7
E7 B7 E7
B7         A7
  Well, my heart went boom

[Bridge]
```

When I crossed that room
And I held her
        B7 A7
Hand in mine
             E7
Whoah, we danced

[Verse 4]
Through the night
       A7
And we held
             E7
Each other tight
And before too long
                        B7
I fell in love with her

[Chorus]
    E7
Now I'll never dance
        A7   **C**
With another, whooh

Since I saw

Her standing there
