[Pre-Verse]
Am **Dm7**
At first I was afraid, I was petrified
G **Cmaj7**
Kept thinking I could never live without you by my side
Fmaj7 **Bm7b5**
But then I spent so many nights thinking how you did me wrong
Esus4
And I grew strong
E
And I learned how to get along
Am
And so you're back

[Verse 1]
Dm7
From outer space
G **Cmaj7**
I just walked in to find you here with that sad look upon your face
Fmaj7 **Bm7b5**
I should have changed that stupid lock, I should have made you leave your key
Esus4 **E**
If I'd known for just one second you'd be back to bother me
Am **Dm7**
Go on now, go, walk out the door
G
Just turn around now

```
                 Cmaj7
'Cause you're not welcome anymore
Fmaj7                                    Bm7b5
     Weren't you the one who tried to hurt   me with goodbye
                Esus4
Do you think I'd crumble
                 E
Did you think I'd lay down and die?

[Chorus]
           Am             Dm7
On no, not I, I will survive
         G
Oh, as long as I know how to love
  Cmaj7
I know I'll stay alive
         Fmaj7
I've got all  my life to live
             Bm7b5                                Esus4
And I've got all  my love to give and I'll survive
           E
I will survive
Hey, hey

[Verse 2]
E         Am                                  Dm7
 Only the Lord could give me strength not to fall apart
             G                               Cmaj7
Though I try hard to mend the pieces of my broken heart
            Fmaj7
And I spent oh   so many nights
             Bm7b5                         Esus4
Just feeling sorry for myself, I used to cry
          E
But now I hold my head up high
            Am           Dm7
And you see me, somebody new
             G                                   Cmaj7
I'm not that chained up little person still in love with you
           Fmaj7
And so you felt like droppin' in
           Bm7b5
And just expect me to be free
              Esus4                          E
Well, now I'm saving all my lovin' for someone who's loving me
           Am                  Dm7
Go on now, go, walk out the door
