F#
  Dearly beloved
We are gathered here today
To get through this thing called "life"
Electric word, life
                                D#m
It means forever and that's a mighty long time
But I'm here to tell you
F#
  There's something else
The afterworld
Bmaj7
A   world of never ending happiness
B   **C#7**
 You can always see the sun,   day or night
F#sus4   **F#**
      So when you call up that shrink in Beverly Hills
You know the one, Dr. Everything'llBeAlright
Instead of asking him how much of your time is left
F# F#sus4   **F#**
   Ask   him how much of your mind, baby
'Cause in this life
Things are much harder than in the after world
In this life
You're on your own
F#sus4 F#   **D#m**
         And if deelevator tries to bring you down

```
   A#m   F#
Go crazy Punch a higher floor!
