STRUMMING PATTERN

WHOLE SONG 150 bpm

[Intro]
Db Ab/C Gb

[Verse 1]
Db
  Coming out of my cage
Ab/C **Gb**
    And I've been doing just fine
Gotta gotta be down
Because I want it all
Db
  It started out with a kiss
Ab/C **Gb**
    How did it end up like this
It was only a kiss, it was only a kiss
Db
  Now I'm falling asleep
Ab/C **Gb**
    And she's calling a cab
While he's having a smoke
And she's taking a drag
Db
  Now they're going to bed
Ab/C **Gb**
    And my stomach is sick
And it's all in my head

[Pre-Chorus]
Bbm
But she's touching his chest

```
                      Ab
Now, he takes off her dress
            Gb
Now, let me go
Bbm                       Ab
   I just can't look its killing me
    Gb
And taking control

[Chorus]
Db        Gb               Bbm
Jealousy, turning saints into the sea
Ab                     Db
Swimming through sick lullabies
Gb              Bbm
Choking on your alibis
Ab                Db
But it's just the price I pay
Gb         Bbm
Destiny is calling me
Ab         Db      Gb
Open up my eager eyes
Bbm                 Ab
   Cause I'm Mister Brightside
