

Long Cool Woman

[8 bar into]

E Saturday night I was downtown **G** **A** **E** Working for the FBI
E Sitting in a nest of bad men **G** **A** **E** Whisky bottles piling high
E Bootlegging-boozer on the west side, full of people who are doing wrong **G** **A** **E**
E Just about to call up the D.A. man **G** **A** **E** When I heard this woman singing a so-o-ong..
A A pair of 45's made me open my eyes **B** My temperature started to rise

[Chorus] **A** **G** **(A)** **E**
She was a long cool woman in a black dress Just a 5-9 beautiful tall

A **G** **(A)** **E**
With just one look I was a bad mess 'cos that long cool woman had it all-all-all..

[8 bar into]

E **G** **A** **E**
I saw her headin' to the table Well a tall walking big black cat
E
When charlie said I hope that you're able boy
G **A** **E**
Well I'm telling you she knows where it's at
E **G** **A** **E**
Well suddenly we heard the sirens And everybody started to run
E **G** **A** **E**
A jumping out of doors and tables Well I heard somebody shooting a gu-uh-unn →
E **G** **A** **E**
Well the da was pumping my left hand And then she was a-holding my right
E **G**
Well I told her don't get scared 'cos you're gonna be spared
A
Well I've gotta be forgiven if I wanna spend my living → *(quick to next verse)*

[Chorus] **G** **(A)** **E**
With a long cool woman in a black dress Just a 5'9 beautiful tall

A **G** **A** **E**
Well, with just one look I was a bad mess 'cos that long cool woman had it all-all-all.

(remain on E and repeat "had it all" 3x, then vocally skip a measure, then repeat 1 more)
