CHORDS

[Verse]

D **A**
American girls and American guys
Bm
We'll always stand up and salute
F#
We'll always recognize
G
When we see Old Glory flying
D
There's a lot of men dead
A
So we can sleep in peace at night when we lay down our head
D
My daddy served in the army
A **Bm**
Where he lost his right eye but he flew a flag out in our yard
F#
'Til the day that he died
G **D**
He wanted my mother, my brother, my sister and me
A
To grow up and live happy in the land of the free
D **A**
Now this nation that I love has fallen under attack
Bm **F#**
A mighty sucker punch came flyin' in from somewhere in the back
G
Soon as we could see clearly
D
Through our big black eye
A
Man, we lit up your world Like the Fourth of July

[Chorus]

Hey Uncle Sam, put your name at the top of his list
And the Statue of Liberty started shakin' her fist
And the eagle will fly man, it's gonna be hell
When you hear mother freedom start ringin' her bell
And it feels like the whole wide world is raining down on you
Oh, brought to you courtesy of the red white and blue

A Bm F# G D A

[Verse]

Oh, and justice will be served and the battle will rage
This big dog will fight when you rattle his cage
And you'll be sorry that you messed with
The U.S. of A.
'Cause we'll put a boot in your ass

It's the American way

[Chorus]

Hey Uncle Sam, put your name at the top of his list
And the Statue of Liberty started shakin' her fist
And the eagle will fly it's gonna be hell
When you hear mother freedom start ringin' her bell
And it'll feel like the whole wide world is raining down on you
Oh, brought to you courtesy of the red white and blue
Oh-oh, of the red, white and blue
Oh-oh, of my red, white and blue
