[Verse 1]

```
           Em           G   C   B
I'm gonna fight 'em off

           Em           G           C   B
A seven nation army couldn't hold me back

           Em           G   C   B
They're gonna rip it off

           Em           G           C   B
Taking their time right behind my back

           Em           G           C
And I'm talking to myself at night

           B           Em   G   C   B
Because I can't forget

Em           G           C
Back and forth through my mind

           B   Em   G   C   B
Behind a cigarette

           G           A
And a message coming from my eyes says leave it alone
```

[Instrumental Chorus]

```
Em G C B x4
G   A
```

[Interlude]

```
Em G C B x4
```

[Verse 2]

```
           Em           G   C   B
Don't wanna hear about it

           Em           G           C   B
Every single one's got a story to tell

           Em           G   C   B
Everyone knows about it

           Em           G           C   B
From the Queen of England to the hounds of Hell

           Em           G   C   B
And if I catch it coming back my way

           Em           G   C   B
I'm gonna serve it to you
```

Em G C B
And that ain't what you want to hear
Em G C B
But that's what I'll do
G A
And a feeling coming from my bones says find a home

I'm goin' to Wichita

Em G C
And I'm bleeding and I'm bleeding and I'm bleeding
B Em G C B
Right before the Lord
Em G C
All the words are gonna bleed from me
