8:15 into the city.
          A                              G
There's a whistle up above and people pushing, people shoving and

     D                    A
the girls who try to look pretty.
          A                      G
And if your train's on time you can get to work by nine and
D                               A
start your slaving job to get your pay.
        A                    G
If you ever get annoyed, look at me I'm self employed,
    D                       A
I love to work at nothing all day.

[Chorus]
           A                      G
And I'll be takin' care of business every day.
D                   A
Takin' care of business every way.
        A                     G
I'll be takin' care of business. It's all mine!
D                           A
Takin' care of business and workin' overtime.  Work out.

[Lead break]
A  G  D  A  x2

[Verse 2]
          A                      G
It's as easy as fishing, you can be a musician,
    D                         A
if you could make sounds that are mellow.
        A                     G
Get a second hand guitar, chances are you'll go far
          D                         A
if you get in with the right bunch of fellows.
          A                   G
People see you having fun, just a lyin' in the sun,
D                         A
tell them that you like it this way.
           A                          G
It's the work that we avoid. Hey, we're all self employeed.
     D                       A
We love to work at nothing all day.

[Chorus]
           A                      G
And we be takin' care of business every day.
D                   A
Takin' care of business every way.
        A                     G
We be takin' care of business. It's all mine!
D                           A
Takin' care of business and workin' overtime.
