[Verse 1]
```
        Em                          D6/9
On the first part of the journey
        Em                          D6/9
I was looking at all the life
            Em                          D6/9
There were plants and birds and rocks and things
            Em                          D6/9
There were sand and hills and rings
        Em                              D6/9
The first thing I met was a fly with a buzz
            Em              D6/9
And the sky with no clouds
        Em                          D6/9
The heat was hot and the ground was dry
            Em                          D6/9
But the air was full of sound
```

[Chorus]

```
      Em9                         Dmaj9
I've been through the desert on a horse with no name
         Em9                  Dmaj9
It felt good to be out of the rain
        Em9            Dmaj9
In the desert you can remember your name
           Em9                    Dmaj9
'Cause there ain't no one for to give you no pain
Em9          Dmaj9
La, la, la lala la la la, la, la
Em9          Dmaj9
La, la, la lala la la la, la, la

[Verse 2]
        Em              D6/9
After two days in the desert sun
     Em              D6/9
My skin began to turn red
        Em              D6/9
After three days in the desert fun
       Em              D6/9
I was looking at a river bed
        Em                  D6/9
And the story it told of a river that flowed
         Em                  D6/9
Made me sad to think it was dead

[Chorus]
             Em9                         Dmaj9
You see I've been through the desert on a horse with no

name
           Em9                  Dmaj9
It felt good to be out of the rain
        Em9            Dmaj9
In the desert you can remember your name
```

```
       Em9                          Dmaj9
'Cause there ain't no one for to give you no pain
     Em9          Dmaj9
La, la, la lala la la la, la, la
       Em9            Dmaj9
La, la, la lala la la la, la, la

[Verse 3]
         Em                     D6/9
After nine days I let the horse run free
             Em                     D6/9
'Cause the desert had turned to sea
             Em                     D6/9
There were plants and birds and rocks and things
             Em                D6/9
There were sand and hills and rings
       Em                         D6/9
The ocean is a desert with its life underground
         Em                    D6/9
And a perfect disguise above
             Em              D6/9
Under the cities lies a heart made of ground
           Em                      D6/9
But the humans will give no love

[Chorus]
             Em9                            Dmaj9
You see, I've been through the desert on a horse with no

name
         Em9                       Dmaj9
It felt good to be out of the rain
       Em9                 Dmaj9
In the desert you can remember your name
       Em9                       Dmaj9
'Cause there ain't no one for to give you no pain
```

```
Em9            Dmaj9
La, la, la lala la la la, la, la
Em9            Dmaj9
La, la, la lala la la la, la, la
